

Public-Facing Service Operated KPI (New)

Overview

HOME PAGE

A new chart showing the Service Operated KPI has been added at [AC Transit - Key Performance Indicators](#). The Service Operated KPI stacked column chart will display % of trips operated and % not operated per month for all divisions. Below the chart area of this KPI, there's a link that will allow users to get more details about the report and take them to the Service Operated KPI page.

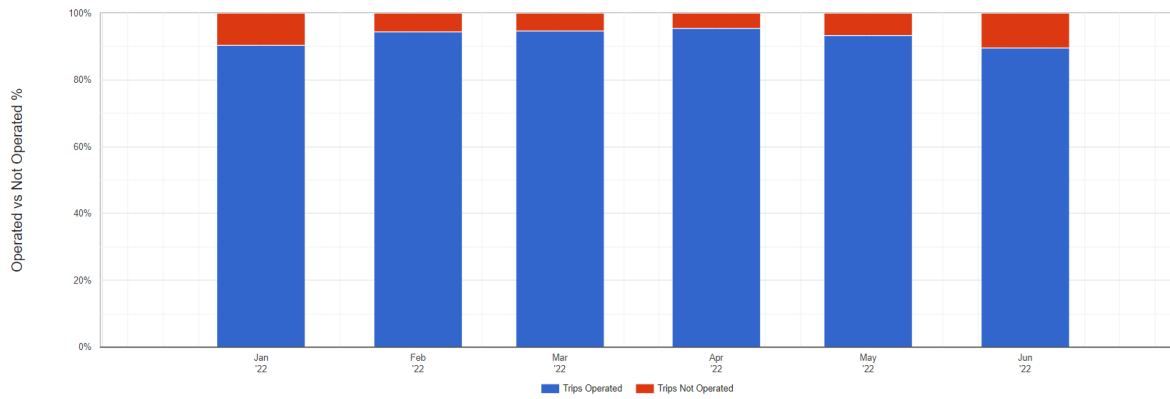

The below page will allow the public to get more detailed information about the Service Operated KPI by the frequency of monthly or daily and specific date ranges and the divisions.

January 1, 2022 - June 30, 2022
