AC Transit Parcel Tax Committee
Statement of Interest

With considered respect, I wish to be considered by the Board of AC Transit for appointment to the AC Transit Parcel Tax Committee for its currently vacant member position. I understand the purpose of the Parcel Tax Committee in its fiscal oversight and audit of Measure AA expenditures on behalf of the voters of AC Transit Special District One. The role of the Committee is an important one to the Transit District and to the voters of the communities served by AC Transit and represents a vital component of the civic responsibility we all share.

I have served on public and nonprofit organization boards and committees of similar purpose, and I believe my experience in these areas would be of merit in service of the Committee and the AC Transit community. I worked as an adviser, consultant and public finance banker to state and local municipal agencies for nearly twenty years and during that time served on several advisory boards, oversight committees, and task forces in that time. The City and County of San Francisco, Mayor's Fiscal Advisory Committee, is one such committee on which I served, where the experience I gained is relevant to that of service on the Parcel Tax Committee. In addition, my service on the Board of the East Bay Community Foundation, as Vice Chairman and Chair of the Audit Committee afforded me the opportunity to lead an organization's audit process over several annual cycles.

Ultimately, I see prospective service on the Parcel Tax Committee as essential civic duty, and I would be honored to serve, if selected. Thank you for your consideration.

Respectfully,
