BUDGETARY/FISCAL IMPACT:

There are no budgetary or fiscal impacts associated with this report.

BACKGROUND/RATIONALE:

The parcel tax was initially enacted in 2002. Proceeds from this special tax can only be used to fund the operations and maintenance of bus service within District 1. In 2008, the voters in District 1 approved Measure VV, which increased the tax to \$96 per year per parcel for a 10-year period.

In 2016, the voters in District 1 approved Measure C1, which extended the expiration date of the Parcel Tax until 2039. Measure VV proceeds are specifically designated for the operation and maintenance of bus services and this revenue is essential to the sustainability of operations in District 1.

Measure VV funds for Operations and Maintenance Expenses by County and Special Transit Service District for the fiscal year ending June 30, 2022 are shown in Attachment 2 - Measure VV Schedules with Independent Auditor's Report.

The Committee is required to meet at least once per year to determine that funds generated by the District's parcel tax measures have been expensed in accordance with the intentions of the voters. In addition, the Committee is required to provide a written report or resolution regarding its findings to the Board of Directors and during the same time frame that the Chief Financial Officer makes his/her report on the annual fiscal year audit. In accordance with this resolution, the Committee is requested to review the use of Measure VV funds as accounted for in the attached report and to provide a written report and/or resolution to the AC Transit Board of Directors at the Regular Board meeting on December 14, 2022.
