**Subject:** [EXTERNAL] Request to Add Alameda County Board of Supervisors Representative to Hayward Interagency Liaison Committee  
**Date:** Thursday, January 15, 2026 10:45:20 AM

---

Dear Board President Shaw,

I am writing on behalf of Alameda County Supervisor Nate Miley to request that the AC Transit Board of Directors consider adding a representative from the Alameda County Board of Supervisors to the *AC Transit Interagency Liaison Committee (ILC)-Hayward*. This addition would ensure that the voices of Alameda County's urban unincorporated communities are included in the ILC-Hayward's work.

Supervisors Tam and Miley represent the urban unincorporated communities of Ashland, Cherryland, Hayward Acres, San Lorenzo, Fairview, and Castro Valley, which together have a combined population of approximately 151,000 residents. These communities are eager to work collaboratively with the ILC-Hayward to help identify and solve shared challenges, and to ensure their concerns are integrated into broader discussions affecting the area as a whole.

If you have any questions or would like additional information, please do not hesitate to contact me.

Sincerely,  
CA
