

Bus Stop Assessments & Simme-Seat Update

Hayward Interagency Liaison Committee
Friday, December 13, 2024

Agenda

Bus Stop Assessments

Bench Installation Recommendations

Simme Seat Program Update

Bus Stop Assessments

- **Goal: Assess bus stop conditions and feasibility of installing seating**
- **Completed Bus Stop Assessments**

Phase 1 Pilot	30
Phase 2	273
TOTAL	303 bus stops

Bench Installation Recommendations

Recommendation Levels

- **Yes:** the sidewalk is wide enough to accommodate a Simme-seat and maintain at least a 4' clear path.
- **Maybe:** the sidewalk might be too narrow or the existing sidewalk is not paved. This could be an opportunity to add a small amount of concrete to accommodate the base of the Simme-seat.
- **No:** the sidewalk is too narrow to accommodate a Simme-seat and maintain a clear path.

Final Recommendations

Yes	169
Maybe	47
No	48

**Thank
you!**
