Procedures for Evaluation of the Board of Directors' Compliance with the District's Policies and Guidelines

We obtained the District's policies and guidelines from management. To gain a better understanding of the District's policies and guidelines, we conducted inquiries with the District's Controller.

Based on this understanding, we performed the following procedures:

1. We obtained from management the details of the Board of Directors' expenses for the year ended June 30, 2024 (the "Analysis"), as prepared by the District Secretary's Office. The Analysis has been summarized in the attached Schedule of Travel and Business Expenses. We tested all items in the Analysis for compliance with the District's policies and guidelines by examining the corresponding expense reports and the attached supporting receipts and vouchers.

Step performed without exception. No findings were noted as a result of our procedures.

2. We reconciled the Analysis to the general ledger balance of Directors' expenses.

Step performed without exception. No findings were noted as a result of our procedures.
