# System map excerpt

# Regional Mapping and Wayfinding Project

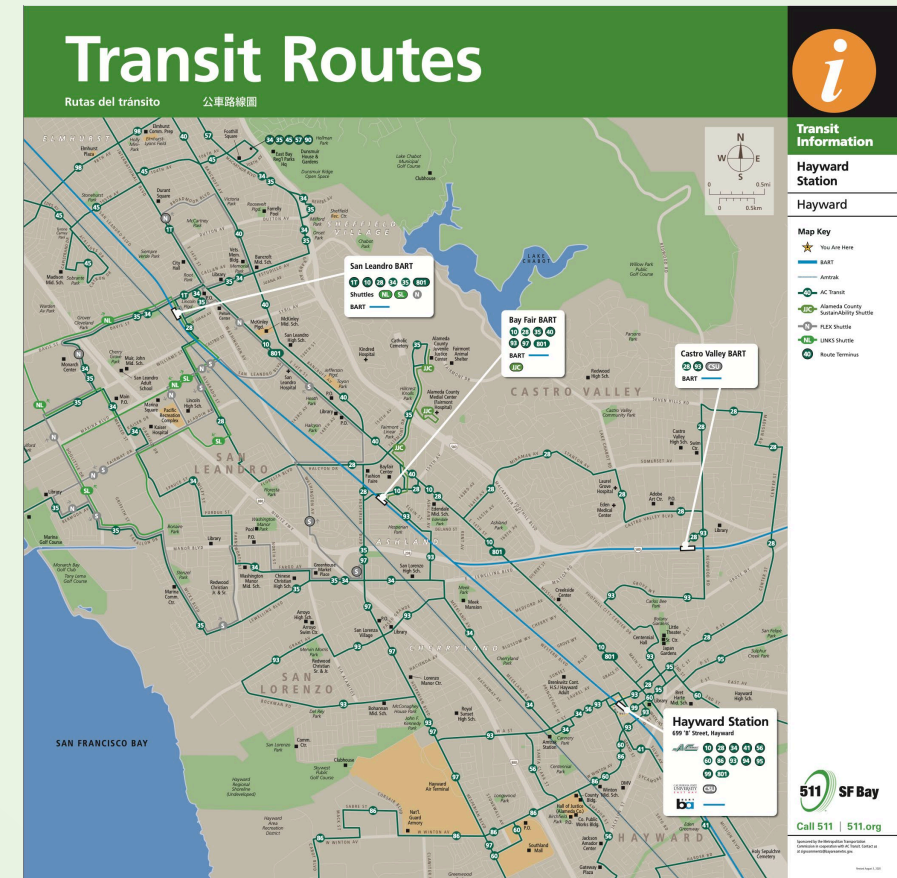

Establish a set of standards for transit agencies to follow throughout the region

Standards include:

- Flags
- Schedule information
- Maps

Two prototypes by mid-2024

- El Cerrito del Norte BART
- Santa Rosa Transit Mall and SMART

# Moving forward

Tony Gee, [tgee@actransit.org](mailto:tgee@actransit.org)

- Suggestions for additional POIs on the AC Transit system map
- Recommendations for new AC Transit at-stop schedule information locations

Provide input to the Regional Mapping and Wayfinding Project when the prototype stations are live
