Public Comments:

Melissa Getz commented on the data from slide 6 of the presentation and questioned whether AC Transit is satisfied with only 70% of the population living within a quarter mile of the bus lines mentioned. Getz suggested extending Lines 18 or 52 to include 4 more stops on Pierce Street, which could add 1,000 riders.

Laurel Pagent Seekins commented about the upcoming revenue ballot measure and cuts to local transit services. The Board was urged to consider transit service cuts across the area, including BART,

to avoid service gaps.
