

Realign

SR 24-416 Item 3.B.

AC Transit Realign Update

City of Richmond-AC Transit Interagency Liaison
Committee (ILC)

July 25, 2024

What is Realign?

It's a review of our routes and schedules.

Prioritize where and when transit service is offered

Align service with rider needs and equity goals

Realign Project Phasing

On-going emphasis on equity and transparency in all project phases and communications

AC Transit Board Actions in Jan & March

Directed staff to:

- Extend Realign process by six months
- Refine plan to bolster trunk service in Equity Priority Communities (EPCs)
- Report on reliability elements
- Report on timeline & feasibility

Recommendations Adopted by Board of Directors on March 13, 2024

Broaden Frequent Network

*Bus lines operating every 15 minutes: 1T, 6, **10, 18**, 20/21, 51, 52, **57**, 97, and **NL***

Customer Focused/Operator Supported Reliability

Focus improvements where on-time performance (OTP) < 70%

Finetune Frequency

Schedule changes (e.g., operate 15 to 17 min.) where possible

Public Engagement

- NEW! AC Transit Realign Trip Planner
- Interactive route map
- Downloadable Maps & Information
