

Travel Report:

Anthony C. Silva, Board Director, Ward 6

Sacramento CTA Spring Legislative Conference May 20-2, 2026.

Visited with a few of our legislators.

Advocated for:

Funding Zero-Emissions Transit, including CARB's Cap and Invest proposal.

Giving transit operators a voting seat on MTC.

Support for AB1837 – Bus Mounted Cameras for Parking Enforcement.

Key Takeaways from the conference:

Protect transit's share of climate related funding.

Continue investments that encourage transit ridership.

Talked about our agency's financial situation and contingency plan and preserving existing service. Avoid service cuts that would disproportionately affect transit dependent communities.
