FROM: Salvador Llamas, Chief Executive Officer

BRIEFING ITEM

AGENDA PLANNING REQUEST:

RECOMMENDED ACTION(S):

Consider receiving the Financial Statements for the AC Transit Financing Corporation for the fourth Quarter ended June 30, 2025.

Staff Contact:
Chris Andrichak, Corporation Chief Financial Officer

BUDGETARY/FISCAL IMPACT:

Overall, accrued interest on the Certificates of Participation (COPs) through the Fourth Quarter was \$294,111 which was slightly less than the prior fiscal year and consistent with the amortization schedules. The accrued interest does not equal the interest payment due to the timing of the semi-annual cash payment of the interest expense. The remaining balance payable is \$9,600,000 of which \$840,000 will be due August 1, 2025.

BACKGROUND/RATIONALE:

The Financing Corporation was created to provide financing to the Alameda-Contra Costa Transit District. The Board receives quarterly and annual reports on the Financing Corporation financial results. The financial statements reflect the current Certificate of Participation financing as follows: In December 2019, the District issued Refunding Certificates of Participation Series 2019 (2019 COPS). The proceeds from the issuance of \$11.66 million were used to refund and retire the 2009A COPS. In connection with this transaction, the District incurred a non-cash deferred loss on refunding that is reported as a deferred outflow of resources in the amount of \$583,000 which will be recognized as a component of interest expense over the remaining life of the debt. Principal payments on these 2019 Refunding COPS began August 2022, and the fiscal year to date interest accruals were \$294,111.

Please note that this report was originally scheduled for presentation at the November 19, 2025 Board meeting; however, it was inadvertently omitted from the agenda due to a clerical error. This omission was not identified until after the February Financing Corporation meeting.
