This rescission of the original estimate and new visual estimate, prepared by Cobra Van Lines, supersedes all other estimates and controls as the current estimate. I hereby request that any and all previous estimates be rescinded because I have significantly altered the circumstances surrounding my move from which I first requested an estimate. An estimate (binding or non-binding) is not a contract. The actual charges will increase if additional services are ordered or additional items, cubic feet, or weight are transported, or if packing materials are ordered. This revised written estimate prepared by Cobra Van Lines, in accordance with 49 CFR 375.403(a)(5)(ii) and 375.405(b)(7)(ii), is only valid if fully executed before any work begins. Packing material and labor are not included and will be charged per items ordered and listed on the packing materials price list. On interstate moves an 18 wheeler may be used to deliver the property. If the destination address does not have access for an 18 wheeler the shipper will be required to pay for shuttle service. For all Cobra Van Lines estimates there may be additional charges for flights of stairs, elevators, extra drop-offs or pick-ups, re-delivery, long carriers, and shuttles for residences in restrictive complexes. This new estimate is rate based on the weight or cubic feet that were estimated. If non-binding, the total charges are based on the actual weight of the property and may exceed the estimate subject to the 110% rule; maximum amount demanded at time of delivery is the amount of the non-binding estimate plus 10%. If binding, then total amount of the binding estimate (100%) must be paid in full prior to unloading. Additional charges will incur for services performed after the estimate is given and billed after 30 days. I understand that I will be notified by Cobra Van Lines of final charges prior to delivery and while in transit. Upon booking a 30% deposit is required to be paid in the form of credit card (Visa, Mastercard, Amex), cashier's check, cash. Prior to pickup 50% of the balance is due in the form of Cash, money order, certified check. At delivery the balance is due prior to unloading in the form of Post Office Money Order or Cash only. Cobra Van Lines reserves the right to collect up to 80% of balance due prior to the goods leaving the origin state. **PAYMENT IN FULL OF TOTAL CHARGES IS REQUIRED BEFORE THE TRUCK IS UNLOADED.** All charges are based on full tariff rates. Pickup and delivery dates are not guaranteed unless the optional Premium Guaranteed Service (P.G.S.) is purchased. Standard Service (S.S.) window is up to a maximum of thirty business weekdays, not including storage time, beginning on the first date indicated as available for delivery. The date above indicated as "1st available for delivery" is first date of the delivery window and not the promised delivery date. Cobra Van Lines tariff is available for viewing upon reasonable request. Shipper and/or agent has full authority to order services and enter into this agreement with Cobra Van Lines.

NOTICE: Sign this document only if you agree to the new total estimated price. DO NOT sign this document if blank.
This new estimate may only be signed BEFORE moving services begin. DO NOT sign if truck loading has begun.

Reason for shipper requesting rescission of original estimate:

- ☐ Shipper moving more items/weight than was first anticipated ☐ New location of final destination ☐ Other

Request for rescission and new estimate made:

- ☒ Revised total estimated charges was approved in totality in person/prior to loading ☐ by phone/prior to loading ☐ Other
