

Alameda-Contra Costa
Transit District

SR 26-326 Item 2.C.

Street Furniture Priority Location List

and Updated Person Minutes Analysis

Date: 07/15/2026

Background context

Bus Stop Furniture Guidelines (BSFG)

- Adopted by the Board on December 14, 2022 to guide bus stop furniture planning, placement, and maintenance.
- Establishes a consistent framework for stop design, site conditions, outreach, maintenance, and agency roles.
- Ranks AC Transit's stop inventory from highest to lowest priority for future furniture implementation.

Bus Stop Furniture Guidelines

September 2022

Downtown Berkeley BART

Source: AC Transit

Updated Analysis

The analysis uses four criteria to score stops

- 1 Person-Minutes:** How many people use a stop (ridership) **x** how long they are waiting (frequency)
- 2 People of Color Population:** The local POC population served by the stop sourced from Census data
- 3 Low-income Population:** The local low-income population served by the stop sourced from Census data
- 4 Proximity to Social Services:** Identifies social services within a quarter-mile of the stop

The scores for each criteria were weighted

1 Person-Minutes **x100**

2 Person of Color Population **x50**

3 Low-income Population **x50**

4 Proximity to Social Services **x35**

The analysis assigned **Weights** to each metric based on the goal of this analysis:

Customer waiting time being the highest, followed by **equity** indicators, then key destinations.

= Final Weighted Score

Updated Street Furniture Priority Location List 2026

- Calculated **Person Minutes** for 2026 and joined results to current Stop Inventory, filtered out stops without riderhip.
- Pulled **Plan Bay Area 2050+** equity data to update **Low-Income** and **Person of Color** populations at the census tract level.
- Pulled quantities of **Social Services** facilities within $\frac{1}{4}$ mile of each bus stop.
- Percentile ranked each criteria and applied priority score weights from 2022 analysis.

This year, Oakland removed over 50 aging shelters.

- The priority list shows that recent removals are candidates for replacement.

Rank	City	City Council District	Stop Name	Shelter Recently Removed (Y/N)	Normalized Score

Closing Thoughts

The updated **Street Furniture Priority Location List** can be used by AC Transit and External partners to more efficiently identify street furniture candidates when additional funding or project-opportunities arise.

Critical Limitation:

- This list does not evaluate locations for ADA access or feasibility
