2. ROLL CALL

Present: SHAW, McCALLEY, WALSH, SYED, SILVA, YOUNG, SANDHU

3. PUBLIC COMMENT

Bruce De Benedictis expressed appreciation to District Secretary Linda Nemeroff and the AC Transit team for providing a respectful memorial service for Director Chris Peeples. De Benedictis also recommended exploring a ten-passenger bus system like the vehicles used by Santa Clarita Transit.

Dori Goldberg referenced the People's Transit Alliance letter submitted on October 3, 2025, advocating for improved service for riders and workers. Goldbery extended appreciation to operators and ATU and shared feedback from 13 weeks of Realign data. Goldberg also shared concerns about Line 7 which only has service every 60 minutes.

Christian Casillas was concerned about insufficient break times for operators and advocated for improved driver safety. Casillas stated that Realign should prioritize operator needs and identified Lines 1Tempo, 51A, 51B, 72, 239, and 800 as experiencing the greatest impacts.

Josette Moss acknowledged several original PIA contributors for carrying out the vision but expressed strong concerns with the new PIA manager and the lack of support.

Dave Lyons reported that canvassing conducted by the Peoples Transit Alliance showed minimal break opportunities, inadequate meal and restroom access, and overcrowded buses resulting from reduced school service. Lines referenced included 6, 10, 18, 51B, 9, and 60.

Jack Watkins stated that operator working conditions are inadequate, contributing to long-term burnout and negative physical and mental health impacts due to insufficient run and break times.

Jane Kramer commented on small-expense reporting, the Freedom of Information Act and reporting from recent Board member meetings within the past 30 days.

Eddie expressed support for Josette Moss and conveyed solidarity from ATU members and operators. Eddie also voiced concern regarding the December 8, 2021, COVID-19 vaccine mandate, which has since been reversed, and requested reinstatement of employees terminated under the previous policy.

Jacob reported inadequate run and layover times leading to missed breaks and operator burnout. Identified Lines 1Tempo, 51A, 51B, 72, 239, and 800 as most affected.

Connie McFarland expressed support for Josette Moss and noted an ongoing scheduler shortage. McFarland also acknowledged the recently filled position but stated that an additional supplementary service school scheduler is still needed.

Sean, Peoples Transit Alliance, commented on inadequate operator working conditions resulting from Realign changes. Sean also reported overcrowding on Lines 51A, 51B, 9, and 18.

Nunie stated that a school scheduler position is needed and questioned why the position is excluded from the budget while funding is allocated for administrative support for upper management.

Amy Thompson, Peoples Transit Alliance, expressed support for operators and stated that Realign changes are negatively affecting both riders and operators. Thompson also highlighted the need for a school scheduler.
