ALIGNMENT EVALUATION

- Community Preferred Magenta-Colored Alignment

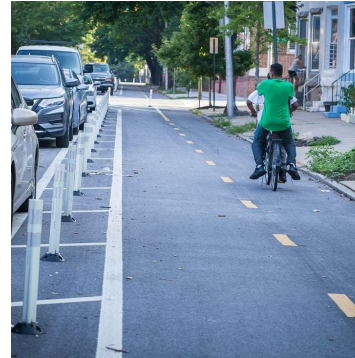

Potential Bike Facility Types

**Class IV
Separated
Bikeways
(Recommended)**

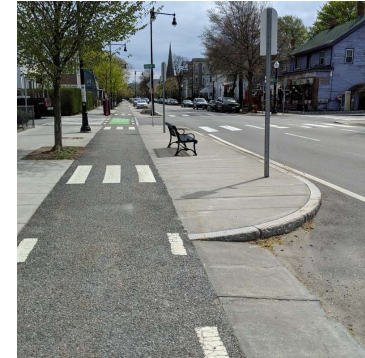

One-Way

Two-Way

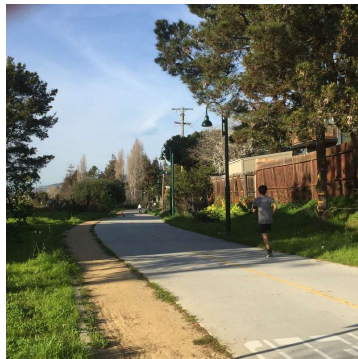

Raised

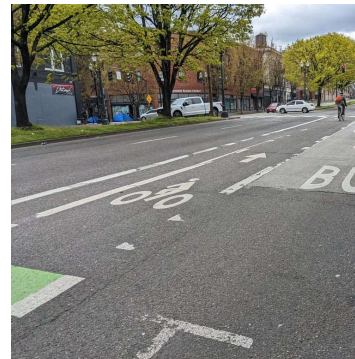

Note: A raised bikeway can be a one-way or two-way facility.

**Potential
Exceptions**

Class I Shared Use Path

**Class II Buffered
Bike Lane**

**Bike Boulevard +
Traffic Calming**

Potential Tradeoffs

On-Street Parking

Number and Width of
Travel Lanes

Bike Facility Width

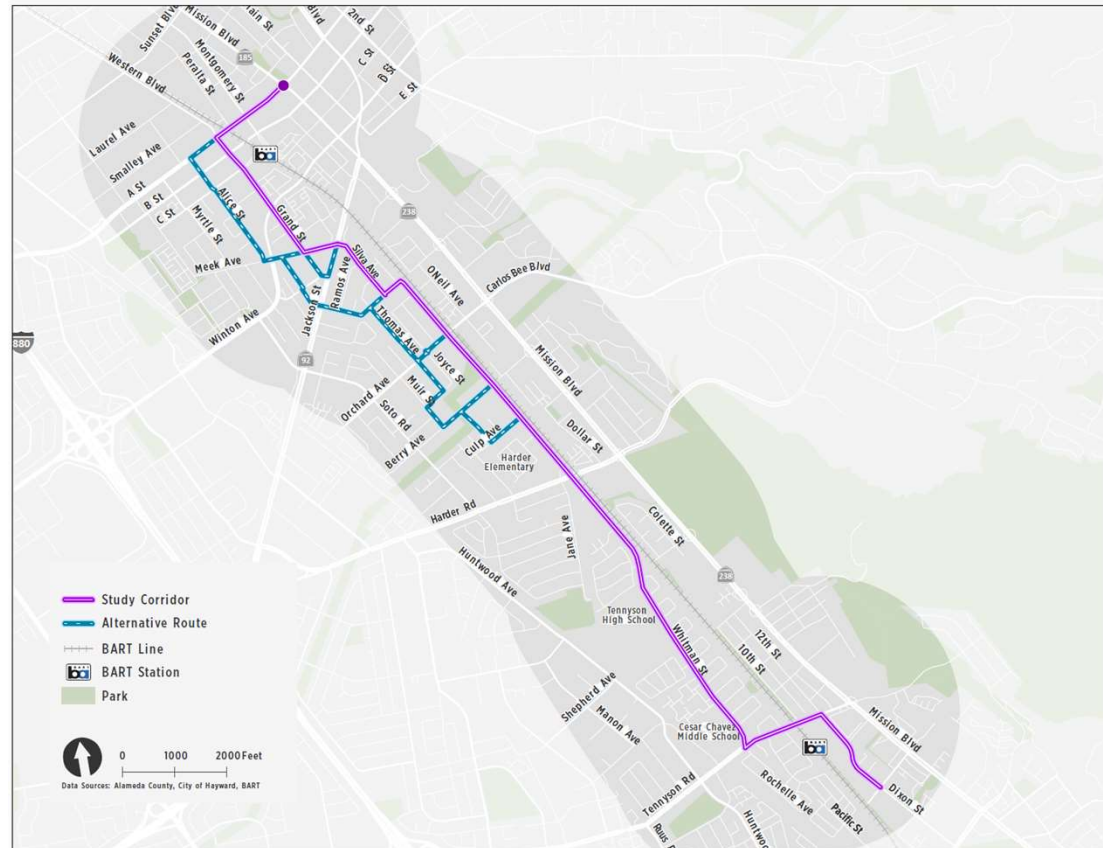

Space for Place Making

Curb and Sidewalk
Impacts

Studies Conducted

- Traffic
- Parking
- Cut-through

Outreach Activities

- ATWG Meetings (4)
- Bike Audit (1)
- Walk Audit (1)
- Community Events (2)
- Focus Meetings (2)
- Flyer Distribution
- Door-to-Door Outreach
- Online Survey
- Outreach to Schools (3)
- Correspondences with Residents

Bike Audit (5/19/2024)
