NACTO is excited to welcome you to Designing Cities 2023: Denver!

See details on what's included in registration, rates, and our cancellation policy at the bottom of this page.

NACTO does not have a scholarship fund this year. **Registration will close on April 28th.**

To sign up for workshops, click "session selector." We highly recommend choosing 3 workshops (one per day, you won't be able to choose overlapping workshops). You can always return to this if you miss it by clicking "Manage Registration Details" after you have registered.

## Covid-19 Protocols | Health, Safety, and Comfort

- Attendees are required to provide proof of vaccination and 1 booster (or medical exemption) through Crowdpass, our third-party health provider.
- While we will not be requiring or enforcing the use of masks, we strongly recommend that all attendees wear a high-quality medical-grade mask to protect others. NACTO staff will be masking, with some exceptions (while presenting, while consuming food and beverage, at our opening reception).
- All meals will be served grab-and-go style, allowing attendees to eat indoors, outdoors, together, or distanced as per their comfort level.
- The majority of our opening reception space is outdoors; it will be possible to remain outdoors for the duration of it.
- Please respect the personal choices and comfort levels of your fellow attendees!
