AC Transit is Hiring!
Start a career at AC Transit and live your best life

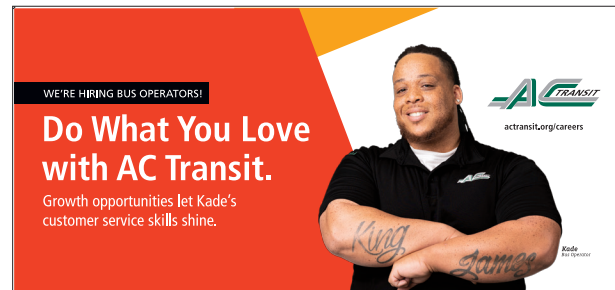

Our Benefits
At AC Transit, our most important asset is our people. We know that your health and the health of your family is your top priority, so we make it ours too.
When you join the AC Transit family, you will receive exceptional benefits so you can live your best life.
For Your Health
• Medical: \$120 per month for a family
• Free dental and vision coverage
Work/Life Balance
• Flexible spending accounts
• Pension plan (vested after 8 years)
• Paid holiday, vacation, and sick leave
• Bereavement leave
• Tuition assistance
Financial Protection
• 457 savings plan
• Life insurance

BE A BUS OPERATOR
Our world-class operators get riders where they need to go safely with exceptional customer service.
• Previous Bus Operator or commercial driving experience is NOT required.
• AC Transit provides a paid training program.
• Three years experience operating a motor vehicle, and one year of public contact or customer service experience is required.
• Must be at least twenty-one (21) years of age.

BE A JOURNEY-LEVEL MECHANIC
Our talented Journey-Level Mechanics diagnose, inspect, and repair defective bus components and systems to keep our fleet moving.
• Four years of automotive experience is required but candidates do NOT need to have diesel mechanic experience.
• AC Transit provides training on diesel and large vehicles as well as the latest technologies with options for growth into supervisory positions.

At AC Transit, it's more than a job, it's a career. Apply today and start living your best life.
