Members of the inter-agency liaison committee may attend meetings remotely with notice of their teleconference location published on the agenda, or without noticing their meeting location subject to the limited “just cause” and “emergency circumstances” teleconference exceptions under the Brown Act. In order to utilize these exceptions, a quorum of the committee must participate in person from a single physical location within the District, and the member teleconferencing must participate through audio and video technology. In addition, a committee member must publicly disclose at the meeting whether any individuals 18 years of age or older are present in the room at the remote location with the member and their general relationship to the member. The committee may take action on an item not on the agenda to consider a request from a member of the committee to participate in the meeting remotely using the emergency circumstances teleconference exception. If a committee member(s) teleconferences to a meeting, roll-call votes are required.

The public is invited to attend the inter-agency liaison meetings in person or remotely via Zoom. Live public comment will be accepted during the meeting in person, through Zoom, or the teleconference number listed on top of the page.

If you dialed in and intend to speak on an agenda item, dial *9 (star nine) to “raise your hand” when the agenda item is called. If using Zoom, use the “raise your hand” feature to indicate that you wish to speak on an item. When you are called to speak by the last 4 digits of your phone number or by name, the host will unmute you. The comment time is limited to 2 minutes per speaker. If you decide not to speak, you may dial *9 or click “lower your hand” in Zoom. The telephone numbers listed below may change from meeting to meeting.

Note: AC Transit does not provide technical support to users accessing the meeting by telephone/Zoom.

Written comment can be emailed to planning@actransit.org by 8:00 AM on the day of the meeting. Indicate the agenda item number in the subject of the email.
