Legislative Action & Summary

Acting Body:	Date:	Action:	Result:
Board of Directors - Regular Meeting	01/26/2022		

Notes:

Vice President Young commented that any service changes should be reflected in the Board Policy and reviewed by the Board.

Director Beckles Requested a resolution supporting AB 1400 The California Guaranteed Health Care for All Act. Director Peebles concurred and commented that staff could expediently send a letter of support to the Legislators instead of adopting a Resolution in February.

Director Walsh requested an updated report on operator hiring efforts, including the number of applications, interviews, and hires to understand when and why applicants do not complete the hiring process. (Shaw concurred)
