

## Register Now

NACTO is excited to welcome you to Designing Cities 2023: Denver!

See details on what's included in registration, rates, and our cancellation policy at the bottom of this page.

NACTO does not have a scholarship fund this year. **Registration will close on April 28th.**

**To sign up for workshops, click "session selector." We highly recommend choosing 3 workshops (one per day, you won't be able to choose overlapping workshops).** You can always return to this if you miss it by clicking "Manage Registration Details" after you have registered.

### Covid-19 Protocols | Health, Safety, and Comfort

- Attendees are required to provide proof of vaccination and 1 booster (or medical exemption) through Crowdpass, our third-party health provider.
- While we will not be requiring or enforcing the use of masks, **we strongly recommend** that all attendees wear a high-quality medical-grade mask to protect others. NACTO staff will be masking, with some exceptions (while presenting, while consuming food and beverage, at our opening reception).
- All meals will be served grab-and-go style**, allowing attendees to eat indoors, outdoors, together, or distanced as per their comfort level.
- The majority of our opening reception space is outdoors**; it will be possible to remain outdoors for the duration of it.
- Please respect the personal choices** and comfort levels of your fellow attendees!
