# Richmond MOVES

## Electric On-Demand Shuttle

### Summary:

- ▶ The City of Richmond invested the Clean Mobility Voucher Pilot Program funds to implement the city's first citywide, on-demand shuttle program in collaboration with Via Transportation. Via Transportation was chosen for its strong track record of providing transit logistics and operational expertise in California. Program website: <http://www.cleanmobilityoptions.org>

### Intended impact:

- ▶ Provide an innovative, affordable, and accessible transportation option for residents and visitors, reducing congestion and improving public health.

### Anticipated use cases:

- First-mile / last-mile trips to local BART stations and the ferry terminal
- Meet Local commuter needs to access employment and essential services

### Service features:

- Full on demand operations including customer service
- Three custom-branded 6-passenger plug-in hybrid electric vehicles

- ▶ **Service hours:** 12 hours of service, Monday through Friday
