### History of Legislative File

Acting Body:	Date:	Action:	Sent To:	Due Date:	Return Date:	Result:
Board of Directors - Regular Meeting	09/11/2019	Approved				Pass
<b>Action Text:</b> MOTION: ORTIZ/PEEPLS to approve the award of a contract to Motor Coach Industries (MCI) for the purchase of up to fifty (50) forty-five-foot (45') diesel buses with independent options for Joint Procurement Members, Omniride (Woodbridge, VA), Metropolitan Council (Saint Paul, MN), and Roaring Fork Transportation Authority (Aspen, CO), and to proceed with an initial purchase of up to thirty-six (36) buses. The motion carried by the following vote:						
<b>Notes:</b> There was no presentation of the staff report.						
Director Shaw asked why the buses were not zero emission. Technical Services Manager Stuart Hoffman advised that a battery-electric over-the-road bus had not yet gone through Altoona testing and there were issues with the range and affordability of zero emission buses. In contrast, the lifespan of the diesel buses was 15 years and the proposed purchase would replace the existing fleet of MCI buses.						
Ayes: 5 Vice President Ortiz, Director Harper, Director Shaw, Director Peeples, Director Young						
Absent: 2 President Wallace, Director Williams
