Check out our team, hard at work to get ready for Monday. Buses get cleaned and inspected inside and out, plus signage posted, livery checked. Ready for pullout!

Our service team disinfects all frequently touched items, including seats and handrails, in addition to keeping all other areas fresh and clean. Thank you, Jamia and Joseph, for providing enhanced cleaning for our fleet and facilities during this pandemic.

Please share this post to show appreciation for their essential service.

Our service teams sanitize frequently touched handrails and straps daily. In order to keep everyone safe, we appreciate your cooperation in following guidance by the CDC for public transit riders.

While the Bay Area is sheltering in place, our employees are working every day.

To all heroes, working tirelessly to keep us safe: we're truly grateful for your contribution. Thank you for keeping the 🌐 moving forward.
