AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority

This Standard Agreement, STD 213, (the "Agreement") is the result of the Sponsor's application (the "Application") for funding under the Affordable Housing and Sustainable Communities Program ("Program") pursuant to:

- A. Part 1 of division 44 of the Public Resources Code (commencing with Section 75200);
- B. The Round 4 Program Guidelines dated October 29, 2018 (the "Guidelines") as may be amended from time to time; and
- C. The Program's Notice of Funding Availability (the "NOFA") issued by the Department of Housing and Community Development (hereinafter the "Department" or "HCD"), dated November 1, 2018.

This Agreement is entered under the authority of, and in furtherance of the purposes of the AHSC Program.

2. Purpose

In accordance with the authority cited above, Sponsor's Application was made to HCD for financial assistance from the Program for the purpose of assisting in the development, operation and maintenance of a residential rental Affordable Housing Development on certain real property (the "Property") as identified in the Application. The Application, including all representations made therein, and the Project Report dated 10/25/2019 (the "Project Report") are hereby incorporated in this Agreement by this reference. The financial assistance from the Program shall be in the form of a permanent loan (the "Loan") to the Sponsor, or its approved affiliate (the "Borrower"), as owner of the Development evidenced by a promissory note, secured by a deed of trust and subject to a regulatory agreement between the Sponsor and the Department. The purpose of the Loan is to ensure that the Development is constructed, owned, managed, maintained and operated in accordance with the requirements of the Program, the requirements of the Guidelines, and the representations of the Application, and to ensure that certain residential units therein shall be occupied by eligible households at affordable rents as defined in the Guidelines for the full term of the Loan, regardless of sale or transfer of the Property or prepayment of the Loan. To further effect this purpose, if Borrower is an entity other than the Sponsor identified in the Application, HCD may require the Sponsor to enter into a Sponsor Operating Guaranty as a condition of closing the Loan.

By entering into this Agreement and thereby accepting the award of Program Loan funds, the Sponsor agrees to comply with applicable statutory law, the Guidelines, the NOFA, and this Agreement, and to abide by the representations contained in the Application, and in the Project Report.

EXHIBIT A

3. Definitions

Capitalized terms herein shall have the meaning of the definitions set forth in the Guidelines, and in page 2 of this Exhibit A, in addition:

- A. The "Development" refers to the residential rental Affordable Housing Development described in the Application and meeting the criteria set forth in the Project Report providing the affordable housing units, as described therein, in consideration of the AHSC Loan. The Development shall meet all criteria as set forth in the Guidelines.
- B. "Agreement" refers to this Standard Agreement.
- C. "Sponsor" refers to the entity or entities that made the Application to the Department for the Development (the "Development") and identified as "Contractor" on page 1 to this Agreement (STD 213). "Sponsor" also includes any affiliate or assignee of the Sponsor approved by the Department and undertaking all the obligations of the Sponsor hereunder (e.g., the Borrower). In the case of joint applicants, "Sponsor" shall refer to each applicant or the approved assignee of such applicant. Each joint applicant shall be jointly and severally liable for all obligations of a Sponsor as set forth herein.
- D. "TCAC" refers to the California Tax Credit Allocation Committee.
- E. Any reference to a specific "Section" or "section" of the Guidelines shall initially refer to that specific numbered section of the Guidelines adopted on and dated October 29, 2018. Notwithstanding, if and when the Strategic Growth Council ("SGC") amends any portion of the Guidelines, all references herein to any such portion of the Guidelines shall be deemed to refer to the updated version of the Guidelines, either in whole or in part, as may be applicable. To the extent that any Guidelines section or sections (Section or Sections) provision is or are amended, and thereafter receive(s) a new Guidelines section number(s), any reference herein to the old Guidelines section(s) number(s) shall be interpreted to refer instead to the Guidelines section(s) that is (or are) intended to replace the content and substance of the former Guidelines section(s).

4. Scope of Work

The Scope of Work ("Work") for this Agreement shall consist of the development and construction by or on behalf of Sponsor of the Affordable Housing Development identified in the Award Letter and described in the Application. The Affordable Housing Development is to be developed and constructed by the Sponsor, or by a developer on behalf of the Sponsor, as provided in the Application, and must meet the following criteria:

Any proposed revision of the Work must be submitted in writing for review and approval by the Department. Any approval shall not be presumed unless such approval is made by the State Department in writing.

At the request of the Department, Sponsor shall provide further and additional evidence sufficient to demonstrate the existence and/or completion of the items for which the Sponsor's Application received points. Failure to provide such evidence to the reasonable satisfaction of the Department may result in a reevaluation of the Application and the reduction or cancellation of

6. Performance Milestones

Sponsor shall ensure the completion of the Performance Milestones set forth in the Project Report, by the designated dates. Sponsor may apply to the Department for an extension of these timelines based on good cause shown and best efforts and assurances from the Sponsor for timely completion of the remaining Milestones.

AHSC PROGRAM TERMS AND CONDITIONS

1. Effective Date, Commencement of Work and Completion Dates

This Agreement is effective upon approval by all parties and the Department, which is evidenced by the date signed by the Department on page one, Standard Agreement, STD. 213 (the "Effective Date"). The Sponsor agrees that the construction of the Development has not commenced as of the deadline for submittal of applications set forth in the Notice of Funding Availability. The Sponsor agrees that the Work shall be completed as specified in this Agreement, as set forth in the Project Report, incorporated herein by reference, and subject to the Agreement expiration date specified on page 1, number 2, of this Agreement (STD 213), and in Paragraph 3 below, unless a written request for an extension is submitted and written approval by the Department is provided within 90 days prior to the expiration date of the Agreement. Any extension to the expiration date shall require an amendment to this Agreement executed by all parties.

2. Termination

The Department may terminate this Agreement at any time for cause by giving at least 14 days' notice in writing to the Sponsor. The Department shall have cause if the Sponsor violates any of the General Terms and Conditions, or Special Conditions, of this Agreement. Examples of cause for termination include but are not limited to:

- A. Failure of the Loan to close on or before the Loan closing deadline as stated under Paragraph 3, "Timing", in these General Terms and Conditions.
- B. Failure of the Sponsor to satisfy in a timely manner each of the conditions set forth in these General Terms and Conditions, Special Conditions set forth in Exhibit E of this Agreement, and the Award Letter.
- C. Determination by the Department that: (a) any material fact or representation made or furnished to the Department by the Sponsor in connection with the Application, or the Award Letter shall have been untrue or misleading at the time that such fact or representation was made known to the Department, or subsequently becomes untrue, or (b) the Sponsor shall have concealed any material fact from the Department related to the Application or the Development.
- D. Filing a petition by Sponsor, or any affiliate or general partner of Sponsor, for relief under the Bankruptcy Code; the filing of any pleading or an answer by Sponsor, or any general partner of Sponsor, in any involuntary proceeding under the Bankruptcy Code; a general assignment by Sponsor, or any affiliate or general partner of Sponsor, for the benefit of creditors; or the filing of an application for the appointment of a receiver, trustee, custodian or liquidator of Sponsor or any of its property, or any affiliate or general partner of Sponsor or any of its property.

EXHIBIT D

- E. Failure of Sponsor, or any general partner of Sponsor, to effect a full dismissal of any involuntary petition under the Bankruptcy Code that is filed against Sponsor, or any general partner of Sponsor, or that in any way restrains or limits Sponsor, or any general partner of Sponsor, or the Department regarding the AHSC Loan or the Development, prior to the earlier of the entry of any court order granting relief sought in such involuntary petition, or 30 days after the date of filing of such involuntary petition.
- F. Attachment, levy, execution, or other judicial seizure of any portion of the Development, or any substantial portion of the other assets of Sponsor, or any general partner of Sponsor, that is not released, expunged, bonded, discharged, or dismissed within 30 days after the attachment, levy, execution, or seizure.
- G. Pendency of any proceeding challenging the legal existence or authority of Sponsor, or any general partner of Sponsor, or any proceeding challenging the legality of the Development.
- H. Failure of Sponsor to close the Department approved construction financing on or before the date indicated under Paragraph 3, "Timing", in these General Terms and Conditions. Any reference in this Agreement to "construction" shall include rehabilitation construction, if applicable.

3. Timing

- A. The Sponsor shall close the construction financing approved by the Department and commence construction of the Development in accordance with the development schedule set forth in the Project Report. Upon the Department's request, the Sponsor shall promptly provide evidence of recorded deeds of trust for all construction financing, payment of all construction lender fees, issuance of building permits (a grading permit does not suffice to meet this requirement) and notice to proceed delivered to the contractor. If no construction lender is involved, and the project is receiving low-income housing tax credits, evidence must be submitted that the equity partner has been admitted to the ownership entity, and that an initial disbursement of funds has occurred.
- B. Pursuant to section 111 of the Guidelines, construction of the Affordable Housing Development must commence within two years of the Program award and must be completed within five years of the Program award date.
- C. The Sponsor shall satisfy all conditions required to close the AHSC Loan on or before **December 31, 2024**. In order to ensure this disbursement happens, the Sponsor must provide the Department with a certificate of occupancy (or an equivalent form of occupancy certification or approval) for the Project by no later than **July 30, 2024**. If the AHSC Loan does not ultimately close by **December 31, 2024**, the AHSC funds will be disencumbered from the Project.

EXHIBIT D

- D. This Agreement shall expire on **June 30, 2039**, the date specified on page 1, number 2, of this Agreement (STD 213).

4. Disputes

Applicable law, including the Department's and the AHSC Program's statutes, rules, regulations, and Guidelines shall apply and be enforced in the event of any conflict that becomes apparent to the Department at any time, notwithstanding the Department's preliminary prior review of Project documentation at the time of construction loan closing.

5. Consent

The parties agree that wherever the consent or approval of the Department or the Sponsor is **required under this Agreement, such consent or approval will not be unreasonably withheld or delayed**, unless the same is specified as being in that party's sole discretion or other words of similar import.

PRE-CONSTRUCTION LOAN REQUIREMENTS

Unless otherwise approved in writing by the Department, the following conditions require compliance prior to the close of the construction loan(s) for the Development (construction loan includes a rehabilitation loan):

6. Site Control

The Sponsor shall have Site Control of the real property on which the Development is located, as required by the Guidelines. Such control shall not be contingent on the approval of any other party. The status and nature of the Sponsor's title and interest in the property shall be subject to the Department's approval. Site Control may be evidenced by one of the following:

- A. Fee title;
- B. A leasehold interest on the project property with provisions that enable the lessee to make improvements on and encumber the property provided that the terms and conditions of any proposed lease shall permit compliance, prior to loan closing, with all Program requirements;
- C. An enforceable option to purchase or lease which shall extend through the anticipated date of the Program award as specified in the NOFA;
- D. An executed disposition and development agreement right of way, or irrevocable offer of dedication to a Public Agency;
- E. An executed encroachment permit for construction of improvements or facilities within the public right of way or on public land;

EXHIBIT D

- F. An executed agreement with a public agency that gives the Sponsor exclusive rights to negotiate with that agency for acquisition of the site, provided that the major terms of the acquisition have been agreed to by both parties; or
- G. A land sales contract or other enforceable agreement for the acquisition of the property.
- H. Other forms of site control that give the Department assurance (equivalent to A-G above) that the applicant or developer will be able to complete the Project and all housing designated in the application in a timely manner and in accordance with all the requirements of the Program.

If the Sponsor's interest in the property is a leasehold, the lease must provide adequate security for the Loan and comply with the requirements of the Uniform Multifamily Regulations ("UMR"), Section 8316. The Sponsor shall provide a copy of the ground lease for the Department's approval and review of its compliance with UMR Section 8316. The lessor and lessee will be required to sign the Department's standard form Lease Rider and Estoppel Agreement, unless the lessor agrees to sign the Loan documents as required by the Department and encumber all its interest in the Development. Where the lessee and the lessor are affiliated or related private parties, both the lessee and the lessor must execute the Loan documents so as to encumber both the leasehold and fee interests in the Development.

7. Title Report

The Sponsor shall provide a current title report for the real property on which the Development is located. If the Sponsor's interest in the property is leasehold, then the Sponsor shall provide a current title report for the leasehold interest and the fee interest.

8. Site Inspection

The Department reserves the right, upon reasonable notice, to inspect the Development site and any structures or other improvements thereon to determine whether the Development site meets the requirements of the Program Guidelines and the criteria set forth in the Project Report. If the Department reasonably determines that the site is not acceptable for the proposed Development in accordance with the Guidelines, the Department reserves the right to rescind the award and the Loan.

9. Adaptability and Accessibility

The Sponsor and the Development shall comply with all applicable federal, state and local laws regarding adaptability and accessibility in the design, construction and rehabilitation of residential projects for persons with disabilities.

EXHIBIT D

10. Physical Needs Assessment

If the Development involves rehabilitation of existing units, the Sponsor shall provide a post-rehabilitation physical needs assessment acceptable to the Department, in accordance with instructions provided by the Department.

11. Reserve Study

Upon request by the Department, Sponsor shall provide an independent, third-party replacement reserve study acceptable to the Department.

12. Development Budget

Unless otherwise approved in writing by the Department, prior to the close of any construction financing, the Sponsor shall provide to the Department for its review and approval, a copy of the construction lender(s)' approved development budget.

13. Reasonable Development Costs

Sponsor shall provide to the Department evidence that total development costs are reasonable and necessary for the proposed improvements. To verify cost reasonableness, the Department may require qualified third party verification of costs, evidence of the competitive bidding of major trades and real estate appraisals. Where the Development is a component of a larger development, the Sponsor shall submit to the Department for its approval, a development cost sharing breakdown for the entire development which covers all development costs for each of the individual components of the entire development and includes a discrete development budget for the Development consistent with the budget in the Application and Project Report. Eligible costs for Developments are limited to costs as specified in 25 CCR Section 7304 (a) & (b).

14. Sponsor Control of Development

Sponsor shall provide evidence satisfactory to the Department that the Sponsor identified in the Application and who demonstrated the requisite experience, pursuant to Section 106 (a)(12) of the Guidelines, in the application process, has and will retain full control over the development, construction, ownership and management of the Development through control of the Sponsor entity by the Sponsor either directly as Borrower, or as a managing general partner of Borrower, or as the member/manager of the general partner of the Borrower, if Borrower is a partnership. The same control requirement applies to any Borrower organized as a limited liability company. The failure to demonstrate the requisite control of the Sponsor entity by the Sponsor may result in significant delay in the processing, or potentially the cancellation, of the Loan. The Sponsor which demonstrated the requisite experience of owning and developing affordable rental housing, shall execute the Department's Sponsor Operating Guaranty to ensure that the Sponsor has the resources and experience to develop, own and manage the Development. The organizational structure of the Borrower, including the control and ownership by the Sponsor or Sponsors, and

EXHIBIT D

any changes thereto, must be reviewed and approved by the Department and must comply with all Program requirements.

15. Relocation Plan

If there is or will be any residential or commercial displacement directly or indirectly caused by the Development, the Sponsor shall provide a relocation plan conforming to the requirements of state law and the regulations adopted by the Department in California Code of Regulations, Title 25, Section 6000 et seq. The Development budget shall contain sufficient funds to pay all costs of relocation benefits and assistance as set forth in the relocation plan accepted by the Department. Should a relocation plan not be required, Sponsor must provide documentation for Department approval that there are no relocation requirements.

16. Architect Contract

The Sponsor shall enter into a contract with an architect to provide professional services for the Development. The contract shall require an architect to supervise the construction work, conduct periodic site visits, prepare periodic inspection reports, verify the validity of the construction contractor's payment requests, prepare or review change orders, and, upon completion of construction, provide the certification described in paragraph 31 of these General Conditions.

17. Appraisals

If the property for the Development is being purchased, the Sponsor shall provide an appraisal acceptable to the Department of the as-is value of the property, prepared by a qualified, licensed appraiser.

18. Non-Department Financing

The Sponsor shall qualify for and obtain the financial assistance, loans and grants described in the Application for both the construction and permanent periods. Final terms and conditions of the non-Department financing must substantially conform to the terms and conditions of the Sponsor's Loan Application. The terms and conditions of all financing shall be subject to the Department's review and approval.

19. Senior Loan Terms and Disclosures

The terms of loans in a lien position senior to the Loan must comply with all the underwriting standards of UMR Sections 8310 and 8315.

No subordination may limit the Department's remedies and must comply with UMR Section 8315.

Balloon payments are not allowed on senior debt, except as provided in UMR section 8310. Senior loans are prohibited from including call option language in the terms of the loan other than is reasonable in case of default, nor may Sponsor be required to remarket Bonds prior to

EXHIBIT D

expiration of the senior loan. Financial instruments on senior loans (including but not limited to swaps, collars, and interest rate hedges) must extend for the full term of the senior loan and cannot be required to be renewed or extended prior to the end of the full term.

Sponsors must obtain an interest rate cap on any interest rate that is not fixed for the full term of the senior loan. The interest rate at the cap must not jeopardize project feasibility. Interest rate resets, renewals, extensions of letters of credit, or other senior loan provisions, must not require the Sponsor to re-qualify.

All payments, lender fees, bond fees, issuer fees, trustee fees, letter of credit fees, swaps fees, hedge fees, enhancement fees, credit facility and liquidity fees, and other fees, charges and costs, in addition to principal and interest payments, must be fully disclosed to the Department in the loan closing transaction summary and in the operating budget.

The Department's lien shall not be subordinated to the liens of a lender affiliated with an entity that has an ownership interest in the Project unless a covenant, regulatory agreement, or similar instrument is recorded senior to the lender's documents that includes the provisions of UMR Section 8310(f).

20. Environmental Conditions

The Sponsor shall provide a Phase I Environmental Site Assessment ("ESA") for the Development, in conformance with ASTM Standard Practice E 1527, evaluating whether the Development is affected by any recognized environmental conditions. EXHIBIT D

Any proceeds from the foreclosure of the NR-Loan may only be used to satisfy financial obligations owed under the NR-Loan's promissory note; additionally, a foreclosure may also be appropriate and necessary to remedy a substantial breach under the associated regulatory agreement. The Department hereby represents and warrants that, in the absence of the foregoing, the Department shall not foreclose upon the NR-Loan to obtain proceeds to satisfy any liability related to or arising out of the failure of the timely completion of the HRI, STI, TRA, or PGM components, as applicable.
- D. The Department recognizes that the Sponsor may enter into a separate side agreement to address each individual Sponsor entity's responsibilities with respect to each other and with regard to the Loan and Program Grant funds; provided, however, in no event shall any such agreement alter or amend the respective obligations of the Sponsors to the Department under the applicable Loan Documents or Program Grant Documents. The foregoing "Sponsor Operating Guarantee and Regulatory Agreement" shall be in addition to, and not in lieu of, the Department's customary regulatory agreement (and other loan documents) to be executed by LP in connection with the AHSC Loan at permanent loan closing, which regulatory agreement (i) shall be recorded against LP's leasehold interest in the under the Ground Lease and its fee estate for years in the related improvements, and (ii) shall contain a covenant from LP not to prevent, delay or otherwise interfere with Corp complying with the terms of the Sponsor Operating Guaranty and Regulatory Agreement described above in this Section 7.

All regulatory agreements and related deeds of trust (and any other applicable loan documents) in favor of any and all lenders (including without limitation the City of Berkeley, Alameda County and the AHP lender) providing financing to the 53 permanent supportive housing units portion of the AHD (i.e. Site 2) shall be secured by and recorded against the LP's leasehold interest in Parcel A under the Ground Lease, not the fee interest in such real property. If any such instruments shall encumber the fee interest in such property, the Department shall have all rights and remedies on account of such failure, including without limitation, having all Site 2 Departmental loan Fundings likewise encumber and be secured by the fee title interest in such real property. The Department's AHSC Loan documents (and all of its other Site 2 Departmental Funding documentation), including the Department's various regulatory agreements and deeds of trust associated therewith or securing the same, shall be superior to and have lien priority over all other lenders providing funding to Site 2, and their respective loan and/or funding documentation, including without limitation, all deeds of trust and regulatory agreements of such other lenders. The Department shall be entitled to prioritize its Site 2
