Notes:	Executive Director of External Affairs, Marketing & Communications Beverly Greene presented the staff report.					

President Wallace asked if all AC Transit bus operators received face masks with the AC Transit logo on it. Ms. Greene advised that while all operators receive face masks, she was unsure of how many had received the particular mask mentioned by President Wallace.

Director Shaw asked if AC Transit staff was aware of any funding sources that would be reduced as a result of the pandemic. Director of Management and Budget Chris Andrichak advised that State Transit Assistance would be reduced as would bridge toll revenue and sales taxes; however, staff did not have specific figures yet.

Director Harper asked if staff's budget estimates would hold up until the end of June. Mr. Andrichak advised that the estimates were just that and staff hoped any reductions would not get any worse. General Manager Michael Hursh advised that

staff was preparing an optimistic and a pessimistic financial outlook that would be presented to the Board at the workshop the following week.
