Action Text:	MOTION: WALLACE/ORTIZ to receive a report on East Bay Paratransit (EBP) Draft Recovery Plan and Update. [Requested by Director Shaw 6/10/20.] The motion carried by the following vote:					
Notes:	Accessible Services Manager Mallory Brush presented the staff report.					

Vice President Ortiz inquired about the specifics relative to the meal delivery program. General Manager Michael Hursh advised that the use of paratransit drivers to deliver meals came about quickly and was intended to be short term; however, he felt the Board should sanction continuation of the program and would bring an item to the Board.

Public Comment:

Sheela Gunn-Cushman: Ms. Gunn-Cushman expressed her opinion why Clipper readers should be added to the back door of the bus. She said she was not satisfied with the safety measures currently employed on Paratransit. She expressed her views that Paratransit, unlike private rideshare services, should be better informed about rider destinations, as riders do not currently provide drivers (or other coach

riders) this information.
