

# ***Riding Together:*** Bay Area **Healthy Transit Plan**

## BART/AC Transit ILC Update

October 21, 2020

# Riding Together: Bay Area Healthy Transit Overview

- Tied to **State Pandemic Resilience Roadmap**
- **Collaborative Plan** led by Bay Area transit operators: 9 counties, large & small
- **Goals:**
  - Common health & safety commitments
  - Establish consistency between transit providers & for cross-county trips
  - Build passenger confidence
- **Key Components :**
  - Protocols to reduce transmission risk within & across systems
  - Common, adaptable and shared baseline
  - Operators accountable for implementation
  - Partnership with riders – shared responsibility
- **Consistent with BART's 15 Step Plan**
