Action Text: MOTION: ORTIZ/WILLIAMS to receive a report on the August 2020 signup service levels and operator resources available. The motion carried by the following vote:						
Notes: Director of Transportation Derik Calhoun presented the staff report.						

Public Comment:

Sheela Gunn-Cushman was concerned about the possibility that (1) if there is inadequate bus driving staff available to operate a bus line, then the bus line to not run that day; and (2) such an outcome will not be communicated to bus riders in a timely fashion. She hoped that an application on rider phones could be made available and believed more discussion on this matter should be had.
