Board of Directors - Regular Meeting	10/14/2020	Approved				Pass
Action Text: MOTION: PEEPLES/WILLIAMS to approve a pilot for all-door boarding on 25 buses operating on lines in Oakland and Berkeley. The motion carried by the following vote:						
Notes: Service Planning Manager Michael Eshleman presented the staff report.						
Director Peeples commented that he was in support of the pilot and had been advocating for it for many years						
Vice President Ortiz was concerned about fare evasion and how the District planned to address it. She also asked how long the pilot would be in place. Mr. Eshleman responded that the pilot would extend throughout the shelter in place order and until U.C. Berkeley resumes classes. He further commented that staff would review camera footage to assess fare evasion and bring the findings back to the Board.						
Director Young asked how someone would know that rear-door boarding was available. Mr. Eshleman explained that rear-door boarding will only be available on two lines and passengers will be made aware of the program on the bus.						
Director Harper commented in support of the pilot, but shared concerns about fare evasion. He asked that staff advise the Board ahead of time on what data they plan						

to collect and how it will be analyzed.

Director Shaw asked if there would be Automatic Passenger Counters on the buses in the pilot, to which Mr. Eshleman advised that the buses would be equipped with the devices.

Ayes: 7 President Wallace, Vice President Ortiz, Director Harper, Director Williams, Director Shaw, Director Peeples, Director Young
