<b>Action Text:</b> MOTION: SHAW/PEEPLS to approve exercising the fifth and final of five one-year options with MV Transportation to continue Dumbarton Express service under the existing contract. The motion carried by the following vote:						
<b>Notes:</b> Item 5.I. was pulled off the agenda by Director Shaw to ask about the timing for the procurement of a new service provider, the reason for a three percent increase in the cost of the contract option, and a comment from staff on the cost of the service. Director of Service Development and Planning Robert del Rosario advised that he was unsure what the three percent increase was for, but would gather more information and report back. He noted that \$105 hourly rate for the service was significantly lower than AC Transit's hourly rate. A new solicitation for the next contact would need to commence in the very near future and AC Transit would need to determine it wanted to bid on the service.						
Ayes: 6 Vice President Ortiz, Director Harper, Director Williams, Director Shaw, Director Peeples, Director Young						
Absent: 1 President Wallace
