<p>Action Text: MOTION: PEEPLES/WILLIAMS to approve staff's revised recommendations regarding proposed amendments to Transit District Law, with the inclusion of an amendment to allow for electronic signature gathering with respect to the written petition required to run for office (PUC sec. 24647) and authorize staff to work with the legislator's office to revise and finalize the legislation. The motion carried by the following vote:</p> <p>Notes: General Counsel Jill Sprague outlined the changes in staff's recommended amendments to Transit District Law since it was last presented to the Board in January 2020.</p> <p>In regard to staff's recommendation on an amendments to PUC section 24533 (publishing requirements for newspapers), Director Peeples commented that he hoped the practice of killing trees in order to publish ordinances would end in the future.</p> <p>Director Young asked if the law could be amended to allow for electronic signature gathering with regard PUC section 24647 (elections, written petition). He further suggested that staff start negotiations on the number of signatures needed to run for the at-large seat on the Board start at 250. Director Peeples expressed general</p>						

support to allow electronic signatures but felt a 100-150 signature requirement on the written petition to run for at-large office was sufficient.
